Opp. to IISC Malleswaram,
BANGLORE-560001.

Dear Sir,

Ref: M/s Hyquip Systems Ltd. - Req.

With reference to the above, we have to inform that M/s Hyquip Systems Ltd and its group firms are operating with our Bank since long. The credentials of the group accounts with us are very much satisfactory. We shall be interested to support/facilitate the Hyquip Group for its requirement of fund and non fund credit requirements for execution of project valuing above 150 crores from BHEL, subject to viability of the projects.

The letter has been issued on request of our customer, without any risk or responsibility on part of our bank or any of its officers.

Yours Faithfully

Senior Manager

MEMORANDUM OF UNDERSTANDING
Between
TRF LIMITED
And
HYQUIP SYSTEMS LIMITED
For Executing
Large Bulk Material Handling Projects

1.0 THE MOU

THIS Memorandum of understand made and entered into on this day of 23RD JUNE 2009 for executing large Bulk Material Handling Projects. (hereinafter called as ACTIVITY)

BETWEEN

1.1. **M/s. TRF LIMITED** having its registered office at Jamshedpur – and South West Head Quarters at 601, PAIGAH PLAZA, BASHEERBAGH, HYDERABAD – 500 063, Ph. No. 23297630, 23299339, Fax No. 23297363 (hereinafter called TRF which expression shall where the context so admits include its successors and permitted assigns) of the Second Part.

- 1.2 **HYQUIP SYSTEMS LIMITED** having its registered office at 'HSL House', 1-1-564/1/A, Gandhi Nagar, Hyderabad – 500 020, India, Ph. No. +91-040-27613222 / 27607907 / 08, Fax No. + 91-040-27611468 (hereinafter called HSL which expression shall include its successors) of the First Part.

2.0 PREAMBLE

- 2.1 Whereas, TRF , one of the leading Material Handling Companies in the country , has the expertise in engineering, supply and commissioning of core equipments like Stackers & Reclaimers, Wagon Tippers, Crushers and Screens and other related equipment required for CHP of large capacities, including capabilities to execute projects from Concept to commissioning on turn-key basis for coal upto 4000 TPH, for heavy bulk density material upto 6000 TPH .Further TRF has its presence globally in the field of Mineral, Infrastructure, Thermal Power, underground mining vehicles and Steel Plants
- 2.2 TRF has supplied Coal Handling Plants on Turn-key basis for Super thermal Power Stations with capacities ranging from 210 MW to 3000MW
- 2.3 Whereas HSL with more than two decades of operations in the Engineering Industry, offers a range of conveying equipment and flow control products for handling of bulk solids , to the Cement, Fertilizer, Steel, Power , Mineral and Process Industry
- 2.4 Whereas, HSL desires to execute an agreement with TRF to **have back to back agreement** with full technical support to participate in large bulk material handling projects.

Now therefore in consideration of the premises and mutual covenants hereinafter contained the parties hereto agree as follows:

3.0 PERIOD OF MOU

This Agreement shall be effective from the date mentioned hereunder and valid for a period of two years and thereafter renew itself upon written notice given by the two parties involved.

4.0 SCOPE OF MOU

- 4.1 This agreement sets forth the broad terms and conditions of the activities and responsibilities of the two parties as detailed below:
- 4.2 The agreement details the terms and conditions, financial arrangements responsibility and obligations of TRF and HSL, pertaining to the activity.
- 4.3 This agreement is on exclusive basis

5.0 AMENDMENTS OF THE MOU

No amendment or modification of this MoU shall be valid unless the same is made in writing by both the parties or their authorized representatives and specifically stating the same to be an amendment of this MoU. The modifications/changes shall be effective from the date on which they are made/executed, unless otherwise agreed to.

6.0 RESPONSIBILITIES OF TRF

- 6.1 TRF shall send their experts for presentation / discussion / study etc if the need arises to the clients place for preparing the Techno-commercial offer .However the costs towards travelling and other arrangements etc shall be borne by HSL at actuals.
- 6.2 TRF should offer full Technical Support during Erection & Commissioning, Training in Plant Operations and maintenance by stationing their experts at client's site at HSL cost, for the entire duration of erection & commissioning, training of client personnel and fine tuning the system supplied to the satisfaction of the client if desired by HSL.
- 6.3 TRF shall enter into a direct dialogue with the client for any technical communication however the same should be carried out under simultaneous information to HSL.
- 6.4 TRF shall arrange for necessary performance bank guarantee, on their scope of supply in the project. The terms & conditions of such performance guarantee shall be as finalised by the client.

TRF shall extend its support for the ratification of the design and engineering done by HSL, before it seeks the design approval from the client or the client's consultant.

7.0 RESPONSIBILITIES OF HSL

- 7.1 HSL shall prepare a competitive Techno-commercial offer with due diligence in order to win the contract for the assignment and submit to the client in consultation with TRF.
- 7.2 HSL shall negotiate and finalize the contract with the client in consultation / mutual agreement with TRF.
- 7.3 HSL shall execute the contract on their own and shall be solely responsible for the same, limiting the responsibility of TRF to the scope of their supply stipulated in the agreement

- 7.4 HSL shall inform TRF any business lead in the identified area of activity and work together with TRF towards finalization of the contract with the client.
- 7.5 HSL shall not transfer the technical know how obtained from TRF in any form to any party without the prior written consent of TRF
- 7.6 The overall coordination and project management services providing technical inputs to TRF as and when required, in executing the ACTIVITY shall be the responsibility of HSL.

8.0 FINANCIAL ARRANGEMENTS

The payment terms between HSL and TRF shall be same as that between HSL and the client, however before finalizing payment terms HSL shall take TRF into confidence.

9.0 GOVERNING LAWS

This agreement and the right of the parties hereunder shall be governed by and construed in accordance with relative legal stipulations and all disputes arising hereunder shall be resolved accordingly.

10.0 TERMINATION OF THE MOU

- 10.1 The MOU shall get terminated on the expiry of the period, as written in the clause above unless extended by both the parties on mutual terms and conditions.
- 10.2 During the tenure of the MOU, parties hereto can terminate the MOU only for breach of any of the terms and conditions of this MOU by giving one-month notice in writing to the defaulting party. Failure of either party to terminate the MOU on account of breach or default by the other shall not constitute a waiver of that party's right to terminate this MOU.
- 10.3 In the event of termination of the MOU written in the clause above, the rights and obligations of the parties thereto shall be settled by mutual discussion; the financial settlement shall take into consideration not only the expenditure incurred but also the expenditure committed by the parties hereto.

11.0 FORCE MAJEURE

Neither HSL nor TRF shall be held responsible for non-fulfillment of their respective obligations under this MOU due to the exigency of one or more of the force majeure events such as but not limited to acts of God, war, flood, earthquake, strikes, lockouts, epidemics, riots, civil commotion etc. provided on the occurrence and cessation of any such events, the party effected thereby shall give a notice in writing to the other party within one month of such occurrence. If the force majeure conditions continue beyond six months, the party shall then mutually decide future course of action.

12.0 CONFIDENTIALITY

Each party i.e. HSL and TRF warrants to safeguard the good name and reputation of the other party and shall respect and treat as confidential all matter it learns from the business of the other party and shall not disclose to others any information or matters identified as confidential or Proprietary.

13.0 SEAL OF PARTIES

Dear Mr Tibdewal,

I would like to thank you for the courtesy extended to me and our clients, HZL during our visit to your office on April 2nd, 2009.

I had visited your shop floor and could see all the components of our Wagon Tipper, Screens etc., ready for dispatch well ahead of the schedule of time. It was very satisfying to see our components ready without any follow up from our side.

I can assure you with this kind of deliveries, all the orders in future from my desk will be to TRF without any hesitation.

Once again thanking you for all the help and wishing you all the best in your future endeavours.

Thanking you,

Yours truly,
